Ordinance supplementing the Municipal Code of the City of Newark and becoming a part thereof banning political fundraising on public property.

Section 1. Short Title

An ordinance banning the use of government buildings and equipment for political fundraising.

Section 2. Purpose

WHEREAS, our laws in the City of Newark do not presently ban solicitation or acceptance of political contributions by public office holders and employees while in any room or building occupied in the discharge of Official duties;

WHEREAS, solicitation and acceptance of political contributions in rooms and buildings occupied in the discharge of official municipal business undermines the efficiency of government by taking officials and employees away from the people's business, and leads to the appearance of improper influence of political contributions on government functions;

WHEREAS, prohibiting the solicitation and acceptance of political contributions in rooms and buildings occupied in the discharge of official duties will address these harms and leave open ample alternative venues for political fundraising;

WHEREAS, our laws in the City of Newark do not presently recognize the misuse of public property for political fundraising as a distinct offense;

NOW, THEREFORE, BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, COUNTY OF ESSEX, STATE OF NEW JERSEY THAT, it is accordingly found and determined that the municipality's interests in an independent and efficient government workforce and a government that is undermined by neither the fact nor appearance of improper influence of political contributions on government decisions require the prohibition of political fundraising in rooms or buildings occupied in the discharge of official duties or through the use of public property;

Ordinance recodifying Title II, Chapter 4, Article 3, Section 2:4-23, of the Municipal Code entitled 'Policy on Purchasing Printing and Stationary' at Title II, Chapter 4, Article 3, Section 2:4-24, of the Municipal Code, which was previously reserved; and that Section 2:4-23 is hereby moved from Article 3, of Title II, Chapter 4, of the Municipal Code; and that a new Title II, Chapter 4, Article 2, Section 2:4-23, of the Municipal Code, entitled 'Redeveloper Pay-to-Play reforms' is adopted.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, THAT:

WHEREAS, in our representative form of government, it is essential that individuals who are elected to public office have the trust; respect and confidence of the citizenry; and

WHEREAS, all individuals, businesses, associations, and other persons have a right to participate fully in the political process of the State of New Jersey, the County of Essex and the City of Newark, including making and soliciting contributions to candidates, political parties and holders of public office; and

WHEREAS, when a person or business interest makes or solicits major contributions to obtain a contract awarded by a government agency or independent authority, this constitutes a violation of the public's trust in government and raises legitimate public concerns about whether the contract has been awarded on the basis of merit; and

WHEREAS, it has become more frequent for developers to make contributions to election campaigns for local government offices and to the political parties which support them; and

WHEREAS, local government officials are responsible for deciding the terms of redevelopment agreements; and

WHEREAS, political contributions from developers entering into agreements for redevelopment projects approved by the elected officials who receive such contributions raise concerns on the part of taxpayers and residents as to their trust in the process of redevelopment, including but not limited to redevelopment decisions on tax abatements, zoning densities, publicly funded infrastructure improvements, and acquisition of property rights pursuant to eminent domain; and

WHEREAS, the Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1, et seq., provides a mechanism to empower and assist local governments in efforts to promote programs for redevelopment; and

WHEREAS, N.J.S.A. 40A:12A-8 allows municipalities or designated redevelopment entities to enter into agreements with redevelopers for planning, replanning, construction or undertaking of any project or redevelopment work without public bidding and at such prices and upon such terms as it deems reasonable within areas designated for redevelopment; and

WHEREAS, N.J.S.A. 40A:12-8 and the exceptions to the Open Public Meetings Act set forth at N.J.S.A. 10:4-12b provide that negotiations for such agreements can be conducted in executive session, provided only that the full terms of any such agreement be subsequently discussed and approved in open session; and

WHEREAS, the City has previously designated the entire City of Newark to be an area in need of rehabilitation; and

WHEREAS, although the right of individuals and businesses to make campaign contributions is unequivocal, that right may be limited, even abrogated, when such contributions promote the actuality or appearance of public corruption; and

WHEREAS, given the potential of negotiating with developers and entering into agreements with such developers without a formal public bidding process, as permitted by the Local Redevelopment and Housing Law, it is necessary to establish certain limitations on political contributions which may undermine public confidence in any redevelopment efforts; and

WHEREAS, the restrictions on political contributions contained herein do not impair in any way the remaining opportunities for developers to speak, write and publish their sentiments about local elections and candidates or to volunteer or associate with campaigns of their own choosing; and

WHEREAS, the Mayor and Municipal Council of the City of Newark must safeguard the integrity of City government procurement by imposing restrictions that insulate the negotiation and award of City contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof; and

WHEREAS, in light of the aforementioned, the Mayor and Municipal Council of the City of Newark believe it is in the best interests of the citizens of Newark to impose certain restrictions on political contributions by redevelopers;

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Municipal Council of the City of Newark, County of Essex, State of New Jersey, that Title II, Chapter 4, Article 3, Section 2:4-23 of the Municipal Code, entitled "Policy on Purchasing Printing and Stationary" is hereby recodified at Title II, Chapter 4, Article 3, Section 2:4-24 of the Municipal Code, which was previously reserved; that Section 2:4-23 is hereby moved from Article 3 of Title II, Chapter 4 of the Municipal Code to Article 2 of Title II, Chapter 4 of the Municipal code; and that a new Title II, Chapter 4, Article 2, Section 2:4-23 of the Municipal Code, entitled "Redeveloper Pay-to-Play Reforms" is hereby adopted, to read as follows:
